Dear Shareholder,

On behalf of the Directors of Aguia Resources Limited (**Aguia** or the **Company**), I am pleased to invite you to attend the 2020 Annual General Meeting (**AGM**) of Aguia.

Aguia's 2020 AGM will be held on Friday, 20 November 2020 commencing at 9.30am (Sydney time).

Due to the current and changing circumstances in relation to COVID-19, and with the safety of our shareholders and staff in mind, the 2020 AGM will be a virtual (online) meeting rather than a physical meeting.

Shareholders will be able to attend and participate (vote, ask questions and comment) at the AGM via a live online meeting facility. To attend and participate, you will need to log in to the online meeting facility provided by our share registry, Link Market Services at <https://agmlive.link/AGR20>

We will not be sending you a hard copy of the Notice of Meeting by post ahead of our AGM. This approach is consistent with the temporary modifications to the *Corporations Act 2001* (Cth) (**Corporations Act**) announced by the Commonwealth Treasurer in response to the COVID-19 pandemic. Instead, you are able to view and download a copy of the Notice of Meeting from our website (www.aguiaresources.com.au) or via the ASX announcements platform (ASX ticker code "AGR").

Also available on our website will be all the information you need to attend and participate in the AGM. It will include our virtual AGM online meeting facility guide which sets out how to use the online facility, answers to frequently asked questions and access to the Notice of Meeting and 2020 Annual Report. Our website also provides instructions on how to vote and ask a question using the online facility ahead of our AGM.

All resolutions considered at the AGM will be decided on by a poll. I encourage you to read the Notice of Meeting (including the Explanatory Memorandum) and the Proxy Form and consider directing your proxy how to vote in each resolution by marking either the "for" box, the "against" box or the "abstain" box on the Proxy Form.

I strongly encourage you to complete and return your Proxy Form no later than 9.30am (Sydney time) on Wednesday, 18 November 2020 in one of the ways specified in the Notice of Meeting and Proxy Form.

Subject to the abstentions noted in the Explanatory Memorandum, the Directors of Aguia unanimously recommend that shareholders vote in favour of all resolutions.

Thank you for your continued support of Aguia.

Yours faithfully,

Christina McGrath
Chair

“That, for the purposes of ASX Listing Rule 10.11 and for all other purposes, the issue of 1,500,000 unlisted options with an exercise price of \$0.10 expiring on 20 November 2025 to Christina McGrath (or her nominee) which forms part of the Notice of Meeting, is approved.”

Voting Exclusion Statement

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast in favour of Resolution 16 by or on behalf of:

- a. Christina McGrath and any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by reason of being a holder of ordinary securities in the Company); or
- b. an associate of Christina McGrath or those persons excluded under paragraph (a) above.

However, this does not apply to a vote cast in favour of Resolution 16 by:

- a. a person as proxy or attorney for a person who is entitled to vote on Resolution 16, in accordance with the directions given to the proxy or attorney to vote on Resolution 16 in that way; or
- b. the Chairman of the Meeting as proxy or attorney for a person who is entitled to vote on Resolution 16, in accordance with a direction given to the Chairman to vote on Resolution 16 as the Chairman of the Meeting decides; or
- c. a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - i. the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Resolution 16; and
 - ii. the holder votes on Resolution 16 in accordance with directions given by the beneficiary to the holder to vote in that way.

In accordance with section 250BD of the Corporations Act, a vote must not be cast on Resolution 16 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting where the proxy appointment expressly authorises the Chairman of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

Resolution 17 - Approval of Additional Share Issue Capacity under ASX Listing Rule 7.1A

To consider and, if thought fit, pass the following as a special resolution of the Company:

“That, pursuant to and in accordance with ASX Listing Rule 7.1A and for all other purposes, the shareholders of the Company approve the issue of equity securities up to 10% of the issued capital of Aguia Resources Limited (at the time of the issue) calculated in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 and on the terms and conditions described in the Explanatory Memorandum which forms part of the Notice of Meeting.”

At the time of despatching this Notice, the Company is not proposing to make an issue of equity securities under ASX Listing Rule 7.1A.2.

If a body corporate is appointed as a proxy, that body corporate must ensure that it appoints a corporate representative in accordance with section 250D of the Corporations Act to exercise its powers as proxy at the AGM.

The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Voting at the Meeting

It is intended that voting on each of the proposed resolutions at this Meeting will be conducted by a poll, rather than on a show of hands. Due to the virtual nature of the Meeting, the Company encourages shareholders to lodge their proxy votes in advance of the Meeting and by no later than 9.30am (Sydney time) on Wednesday, 18 November 2020.

Questions will be collated, and, during the AGM, the Chair will seek to address as many of the more frequently raised topics as possible. However, there may not be sufficient time available at the AGM to address all topics raised. Please note that individual responses will not be sent to shareholders.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of shareholders of the Company (**Shareholders**) in relation to the business to be conducted at the Company's AGM to be held on Friday, 20 November 2020 at 9.30am (Sydney time).

The purpose of this Explanatory Memorandum is to provide shareholders with information that is reasonably required by Shareholders to decide how to vote upon the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend shareholders vote in favour of all Resolutions. The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolutions 1, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16 are ordinary resolutions, which require a simple majority of votes cast by shareholders present and entitled to vote on the resolution. Resolution 2, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company. Resolutions 17 and 18 are to be voted on as a special resolution. For a special resolution to be passed, at least 75% of the votes cast by shareholders present and entitled to vote on the resolution must be in favour of the resolution.

RESOLUTION 1 - RE-ELECTION OF DIRECTOR – CHRISTINA MCGRATH

Christina McGrath was appointed as an independent non-executive Director of the Company on 11 June 2019 at a meeting of shareholders and acts as Chair of the Board. In accordance with clause 6.2(e) of the Constitution, Christina McGrath retires from office at the conclusion of the AGM and is eligible for re-election as a Director of the Company. If shareholders do not approve the election of Christina McGrath then Ms McGrath will cease to be a Director at the conclusion of the Meeting.

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

The Board considered whether Ms McGrath had any interest, position or relationship that may interfere with each of her independence as a Director, having regard to the relevant factors as set out in the ASX Corporate Governance Council Principles & Recommendations (4th edition). The Board considers that Christina McGrath (if re-elected), will continue to be an independent Director.

Ms McGrath has over 30 years of experience as a commercial lawyer. She has held various senior executive management positions – including Company Secretary – in the retail and energy resources sectors. Over a period of 10 years, she worked at KPMG Australia as senior corporate advisor to a wide range of entities, including listed companies.

Ms McGrath was instrumental in developing KPMG's approach to Corporate Governance globally and held a senior advisory position at KPMG's global headquarters in New York for several years. Her specialities include Corporate Governance, Board & Audit Committee Advisory, and corporations law.

The Board supports the re-election of Christina McGrath as she will contribute to the Board significant experience in the areas of corporate governance and law.

For the reasons set out above, the Directors, with Christina McGrath abstaining, unanimously recommend that Shareholders vote in favour of Resolution 1.

RESOLUTION 2 - REMUNERATION REPORT

Section 250R(2) of the Corporations Act requires that the section of the Directors' Report dealing with the remuneration of directors and key management personnel (KMP) of the Company (2020 Remuneration

Report) be put to the vote of shareholders for adoption by way of a non-binding vote. The vote on this resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into account in setting remuneration policy for future years.

Shareholders can view the full 2020 Remuneration Report in the 2020 Annual Report which is available on Aguia's website at <https://aguiaresources.com.au/>.

Following consideration of the 2020 Remuneration Report, the Chairman of the Meeting will give shareholders a reasonable opportunity to ask questions about, or make comments on, the 2020 Remuneration Report.

The Directors abstain, in the interests of good corporate governance, from making a recommendation in relation to Resolution 2.

Resolution 3: On 4 December 2019, the Company announced details of a placement to professional and sophisticated investors to subscribe for new Aguia shares at a price of \$0.15 per share, to raise approximately \$1.8 million (**December Placement**). The 9,454,666 December Placement shares were issued on 20 December 2019 under the Company's 15% placement capacity in accordance with ASX Listing Rule 7.1.

Resolutions 4 and 5: On 24 April 2020, the Company announced details of a placement to professional and sophisticated investors to subscribe for 9,128,126 new Aguia shares at a price of \$0.08 per share, to raise approximately \$730,250. In addition, 4,564,063 unlisted options with an exercise price of \$0.16 expiring 20 April 2022 were issued for nil financial consideration (collectively, the **April Placement**). The April Placement shares were issued on 24 April 2020 under the Company's additional 10% placement capacity in accordance with ASX Listing Rule 7.1A. The April Placement options were issued on 24 April 2020 under the Company's 15% placement capacity in accordance with ASX Listing Rule 7.1.

Resolutions 6 and 7: On 25 May 2020, the Company announced details of a placement to Kemosabe Capital (**Kemosabe**), as part-payment for services provided in relation to a placement undertaken by the Company in September 2019. Kemosabe were issued 350,448 new Aguia shares at a price of \$0.15 per share and 500,810 unlisted options with an exercise price of \$0.15 expiring 23 September 2021 (collectively, the **May Placement**). The May Placement shares and options were issued on 25 May 2020 under the Company's 15% placement capacity in accordance with ASX Listing Rule 7.1.

Resolutions 8 and 9: On 26 June 2020, the Company announced details of a placement of 7,000,000 new Aguia shares at an issue price of \$0.05 per share and 7,000,000 listed options with an exercise price of \$0.10 expiring 30 June 2023 to shareholders as part of a follow-on placement in relation to the Renounceable Rights Issue announced on 1 June 2020. In addition, the Company issued 5,615,730 listed options on the same terms to Mahe Capital, as part-payment for services provided in relation to the Renounceable Rights Issue and follow-on placement (collectively, the **June Placement**). The June Placement shares and options were issued on 30 June 2020 under the Company's 15% placement capacity in accordance with ASX Listing Rule 7.1.

The funds raised from the above issues of securities have been and continue to be used for general working capital and other specified uses, as set out below.

Specific information about Resolutions 3 - 9

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

As described above, the issues referred to in Resolution 3, 5, 6, 7, 8 and 9 were issued within the 15% limit permitted under ASX Listing Rule 7.1 and without shareholder approval, thereby reducing the Company's remaining available capacity.

The shares issued under Resolution 4 were issued under the Company's additional 10% placement capacity in accordance with ASX Listing Rule 7.1A.

ASX Listing Rule 7.4.2 provides that shareholders may approve an issue of, or agreement to issue, securities after the fact so that the securities issued are regarded as having been made with approval for the purpose of ASX Listing Rule 7.1. An issue made in accordance with ASX Listing Rule 7.1A can also be approved subsequently under ASX Listing Rule 7.4, and if it is, will be excluded from variable "E" in ASX Listing Rule 7.1A.2, and in addition, will be counted in variable "A" in under ASX Listing Rule 7.1.

The Company is seeking approval of Resolutions 3, 4, 5, 6, 7, 8 and 9 for the purposes of ASX Listing Rule 7.4 to enable the Company to refresh its issuing capacity under ASX Listing Rule 7.1, thereby providing the Company with the flexibility to issue further securities under ASX Listing Rule 7.1 if the need arises in the next 12 months.

If shareholders approve Resolutions 3, 4, 5, 6, 7, 8 and/or 9, the issues approved will be excluded in calculating Aguia's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without shareholder approval over the 12 month period following the issue of the securities.

If shareholders do not approve Resolutions 3, 4, 5, 6, 7, 8 and/or 9, any issue not approved will be included in calculating Aguia's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue of the securities.

To this end, Resolutions 3, 4, 5, 6, 7, 8 and 9 seek shareholder approval to the issues under and for the purposes of Listing Rule 7.4.

RESOLUTIONS 10 AND 11 - ISSUE OF SHARES AND OPTIONS TO CHRISTINA MCGRATH

Background

As set out above under Resolutions 8 and 9, on 26 June 2020, the Company announced details of a follow-on placement in relation to the Renounceable Rights Issue announced on 1 June 2020 (**June Placement**). Shares were issued under the June Placement at a price of \$0.05 per ordinary share and nil financial consideration was paid for the listed options (exercise price of \$0.10 expiring 30 June 2023).

It was announced to the market on 26 June 2020 that Ms McGrath intended to apply for additional shares and options under a separate offer on the same terms of the rights issue offer (namely, shares to be issued at \$0.05 with a free attaching listed option with an exercise price of \$0.10 expiring on 30 June 2023).

The terms of the securities proposed to be issued are the same as those issued under the Company's Renounceable Rights Issue announced to ASX on 1 June 2020:

- Fully paid ordinary shares with an issue price of \$0.05 per share;
- Listed options issued for nil financial consideration, expiring on 30 June 2023 with an exercise price of \$0.10.

Resolutions 10 and 11 are ordinary resolutions, requiring them to be passed by a simple majority of votes cast by the Shareholders entitled to vote on it.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed entity must not issue or agree to issue securities to any of the following, unless it obtains shareholder approval by ordinary resolution:

1. a related party;

2. a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity;
3. a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the entity and who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them a right or expectation to do so;
4. an associate of a person referred to in items 1 - 3 above; or
5. a person whose relationship with the entity, or a person referred to items 1 - 4 above is such that in the ASX's opinion, the acquisition of securities should be approved by Shareholders.

As Ms McGrath is a Director of Aguia, she is considered to be a related party under item 1 above and accordingly, shareholder approval is required under Listing Rule 10.11. Resolutions 10 and 11 seek the requisite shareholder approval to the issues under and for the purposes of Listing Rule 10.11.

If shareholders approve Resolution 10, Aguia will be able to proceed with the issue of shares approved to Ms McGrath and/or her associates on the terms and conditions as set out in this Notice. If shareholders approve Resolution 11, Aguia will be able to proceed with the issue of options approved to Ms McGrath and/or her associates on the terms and conditions as set out in this Notice.

If shareholders do not approve Resolution 10, Aguia will not be able to issue the proposed shares to Ms McGrath. If shareholders do not approve Resolution 11, Aguia will not be able to issue the proposed options to Ms McGrath. If Resolutions 10 and/or 11 are not approved, the Company will not receive the funds to be raised by the issue.

ASX Listing Rule 7.1 imposes a 15% cap on the number of equity securities that can be issued by Aguia without approval of Shareholders in any rolling 12-month period. However, Aguia is permitted to issue shares (or other securities) in excess of the 15% limit if those shares or securities are issued in reliance on an exception to ASX Listing Rule 7.1 or the issue is approved by shareholders.

If approval is given under Listing Rule 10.11 in respect of the proposed issue of shares and listed options, approval is not required under ASX Listing Rule 7.1, in accordance with Exception 14 in ASX Listing Rule 7.2.

The Directors, with Christina McGrath abstaining, unanimously recommend that Shareholders vote in favour of Resolution 10.

The Directors, with Christina McGrath abstaining, unanimously recommend that Shareholders vote in favour of Resolution 11.

RESOLUTION 12 - APPROVAL TO ISSUE SECURITIES UNDER THE AGUIA RESOURCES LIMITED EMPLOYEE SHARE OPTION PLAN

ASX Listing Rule 7.1 provides that a listed company must not, without prior approval of its shareholders, issue or agree to issue securities if the number of securities issued or agreed to be issued, or when aggregated with the number of shares issued by the company during the 12 months immediately preceding the date of issue or agreement, exceeds 15% of the number of shares on issue at the start of that 12-month period.

Listing Rule 7.2, exception 13 provides an exception to ASX Listing Rule 7.1 such that an issue under an employee incentive scheme is not calculated as part of the 15% limitation if, within three years before the issue date one of the following occurred:

- in the case of a scheme established before the entity was listed, a summary of the terms of the scheme and the maximum number of equity securities proposed to be issued under the scheme were set out in the Prospectus, PDS or information memorandum lodged with ASX under rule 1.1 condition 3; or
- ordinary shareholders approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1 in accordance with the Listing Rules and the notice of meeting meets the requirement under exception 13 of Listing Rule 7.2.

Since shareholders approved the Company's employee incentive plan at its general meeting held on 4 April 2017, the Company has undergone significant changes including delisting from the Toronto Stock Exchange. As such, the Company has prepared and approved a new employee incentive plan, the Aguia Resources Limited Employee Share Option Plan (the Plan).

If shareholders approve Resolution 12, any issue of securities under the Plan during the 3-year period after the AGM will not use up any of Aguia's 15% capacity on issuing equity securities without shareholder approval. However, Exception 13 does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons will require separate approval under Listing Rule 10.14.

If shareholders do not approve Resolution 5, the issue of securities under the Plan will be included in calculating Aguia's 15% capacity in ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the issue of the securities.

An approval under this Resolution 12 is only available to the extent that:

- any issue of equity securities under the Plan does not exceed the maximum number of securities proposed to be issued as set out in this Notice under Resolution 12; and
- there is no material change to the terms of the Plan.

Background

The Company adopted the Plan to assist in the reward, retention and motivation of the Company's Directors, senior management, and other key contractors and employees.

Under the rules of the Plan, the Board has a discretion to offer options to acquire Shares in the Company to senior management, directors or other key contractors and employees. Any offer of options under the Plan may be subject to service-based conditions and/or performance hurdles.

For the purposes of ASX Listing Rule 7.2 exception 13 the following information is provided:

- a summary of the key terms of the Plan is set out in Attachment A.
- a total of 8,090,000 equity securities have been issued under the previous employee incentive plan since it was last approved at the Company's general meeting on 4 April 2017.
- The maximum number of equity securities proposed to be issued under the Plan following approval is 14,000,000.
- a voting exclusion statement is included in the Notice.

In the interests of good governance, the Directors (who are all eligible to participate in the Plan) abstain from making a recommendation on Resolution 12.

RESOLUTIONS 13, 14, 15 AND 16 - ISSUE OF SECURITIES TO FERNANDO TALLARICO, MARTIN MCCONNELL AND CHRISTINA MCGRATH

Background

The Board considers that shares and options are an important tool in rewarding, retaining and incentivising employees of the Company and increasing goal alignment between shareholders, directors and executives.

Those Directors who do not have an interest in the outcome of the relevant resolution recommend that shareholders vote in favour of each resolution regarding the options for the reasons set out below:

1. The Directors consider it is important for the Company to be able to attract and retain experienced directors and that the proposed grant of options to each Director is appropriate taking into account the relevant Director's level of experience and contribution to the Company.
2. The Company has previously issued options to Directors and Resolutions 13 - 16 ensures a congruent and consistent remuneration philosophy.
3. The Directors consider that the proposed number of options to be granted to each Director is appropriate and in accordance with the Company's remuneration policy to:
 - motivate the relevant Directors to pursue long term growth and success of the Company (within an appropriate control framework);
 - align the interests of key leadership with the long-term interests of the Company's Shareholders; and
 - ensure a clear correlation between performance and remuneration.
4. If the Company is unable to issue the proposed shares and options then it may need to consider whether, in order to attract and retain appropriate directors, it needs to increase the level of cash fees payable. By issuing securities, the Company will be able to preserve a greater portion of its cash reserves operating expenditure than it would if additional cash remuneration were given to the Directors.

Lapsing of 2019 Options

The current Board has resolved to lapse all options issued to the current directors following approval by shareholders at the 2019 Annual General Meeting (**2019 Options**). The performance hurdles set for vesting of the 2019 Options are no longer aligned with the Company's strategy and therefore the Directors have agreed to forfeit their 2019 Options.

The vesting hurdles for the proposed issue of options under Resolutions 14, 15 and 16 are aligned with the Company's revised strategy and the interests of shareholders.

Proposed issue of securities

Agua is proposing to issue:

- 1,000,000 fully paid ordinary shares and 4,000,000 unlisted options to Dr Fernando Tallarico; and
- 1,500,000 unlisted options to each of Mr Martin McConnell and Ms Christina McGrath.

Specific details of the proposed issues are set out below.

Section 208 of the Corporations Act

Section 208(1) of the Corporations Act provides that a public company must not, without the approval of the Company's members, give a financial benefit to a related party unless an exception to the prohibition as set out in sections 210 to 216 of the Corporations Act applies to that issue.

As a Director of the Company, each of Dr Tallarico, Mr McConnell and Ms McGrath are all related parties of the Company for the purposes of section 228(2) Corporations Act. The issue of the shares and options proposed under Resolutions 13, 14, 15 and 16 will constitute the giving of a financial benefit to a related party for the purposes of section 229(3)(e) of the Corporations Act.

The Board, with Dr Tallarico abstaining, has resolved that the grant of shares and options to Dr Tallarico constitutes reasonable remuneration within the meaning of section 211(1) of the Corporations Act as the

Company wishes to maximise the use of its cash resources towards the Company's development and equity based incentives, such as options, are used to supplement cash based remuneration.

The Board, with Mr McConnell abstaining, has resolved that the grant of options to Mr McConnell constitutes reasonable remuneration within the meaning of section 211(1) of the Corporations Act as the Company wishes to maximise the use of its cash resources towards the Company's development and equity based incentives, such as options, are used to supplement cash based remuneration.

The Board, with Ms McGrath abstaining, has resolved that the grant of options to Ms McGrath constitutes reasonable remuneration within the meaning of section 211(1) of the Corporations Act as the Company wishes to maximise the use of its cash resources towards the Company's development and equity based incentives, such as options, are used to supplement cash based remuneration.

For the reasons set out above, shareholder approval is not required under section 208(1) of the Corporations Act, however approval is still required for the purposes of Listing Rule 10.11.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed entity must not issue or agree to issue securities to any of the following, unless it obtains shareholder approval by ordinary resolution:

1. a related party;
2. a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity;
3. a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the entity and who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them a right or expectation to do so;
4. an associate of a person referred to in items 1 - 3 above; or
5. a person whose relationship with the entity, or a person referred to items 1 - 4 above is such that in the ASX's opinion, the acquisition of securities should be approved by Shareholders.

As Dr Tallarico, Mr McConnell and Ms McGrath are Directors of Aguia, they are each considered to be a related party under item 1 above and accordingly, shareholder approval is required under Listing Rule 10.11. Resolutions 13, 14, 15 and 16 seek the requisite shareholder approval to the issues under and for the purposes of Listing Rule 10.11.

If shareholders approve Resolution 13, Aguia will be able to proceed with the issue of shares as set out above to Dr Tallarico and/or his associates on the terms and conditions as set out in this Notice. If shareholders do not approve Resolution 13, Aguia will not be able to issue shares as set out above to Dr Tallarico and/or his associates and the Board would need to consider alternative remuneration arrangements.

If shareholders approve Resolution 14, Aguia will be able to proceed with the issue of options as set out above to Dr Tallarico and/or his associates on the terms and conditions as set out in this Notice. If shareholders do not approve Resolution 14, Aguia will not be able to issue options as set out above to Dr Tallarico and/or his associates and the Board would need to consider alternative remuneration arrangements.

If shareholders approve Resolution 15, Aguia will be able to proceed with the issue of options as set out above to Mr McConnell and/or his associates on the terms and conditions as set out in this Notice. If

shareholders do not approve Resolution 15, Aguia will not be able to issue options as set out above to Mr McConnell and/or his associates and the Board would need to consider alternative remuneration arrangements.

If shareholders approve Resolution 16, Aguia will be able to proceed with the issue of options as set out above to Ms McGrath and/or her associates on the terms and conditions as set out in this Notice. If shareholders do not approve Resolution 16, Aguia will not be able to issue options as set out above to Ms McGrath and/or her associates and the Board would need to consider alternative remuneration arrangements.

To ensure Aguia can attract and retain the right talent and align the interests of directors with those of shareholders, the Board considers it is important for Aguia to offer incentives to its directors and executives that are in line with market practice.

Shares – Resolution 13

Shareholders are asked to approve the issue of 1,000,000 fully paid ordinary shares in the Company to Dr Tallarico (MD Shares). The MD Shares will rank equally with all existing fully paid ordinary shares on issue.

RESOLUTION 17 - APPROVAL OF ADDITIONAL SHARE ISSUE CAPACITY UNDER ASX LISTING RULE 7.1A

ASX Listing Rule 7.1 generally limits the amount of equity securities that a listed entity can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

¹ Shares proposed to be issued at \$0.05, being the issue price of the June Placement.

However, under ASX Listing Rule 7.1A mid to small cap listed companies may seek shareholder approval by special resolution to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placement over the earlier of a 12-month period (10% Placement Facility). This is in addition to the existing 15% placement capacity permitted by ASX Listing Rule 7.1 bringing the total combined potential placement capacity for the entity to 25%.

A company is eligible to seek shareholder approval for this additional placement capacity under ASX Listing Rule 7.1A if it satisfies both of the following criteria at the date of the AGM:

- a. it has a market capitalisation of \$300 million or less; and
- b. it is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will satisfy both these criteria at the date of the AGM. If on the date of the AGM Aguia no longer meets this eligibility criteria, Resolution 17 will be withdrawn.

Accordingly, Resolution 17 is seeking approval of ordinary shareholders by special resolution for the issue of up to the number of equity securities as calculated in accordance with the formula in ASX Listing Rule 7.1A.2, at an issue price permitted by ASX Listing Rule 7.1A.3 to such persons as the Board may determine, on the terms described in this Explanatory Memorandum.

Approval of Resolution 17 does not oblige the Company to conduct a placement or use the additional 10% capacity. The approval would provide the Company with additional flexibility and an ability to move quickly in the event of an opportunity arose which required additional capital.

At the date of this Notice, the Company has on issue 277,365,126 fully paid ordinary shares. If Resolution 3, 4, 5, 6, 7, 8 and 9 are approved, the Company will have the capacity to issue:

- a. 41,037,033 equity securities under ASX Listing Rule 7.1; and
- b. 27,643,736 equity securities under ASX Listing Rule 7.1A.

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

If shareholders approve Resolution 17 the effect will be to allow Aguia to issue equity securities under ASX Listing Rule 7.1A up to the combined 25% capacity in ASX Listing Rules 7.1 and 7.1A without further shareholder approval.

If shareholders do not approve Resolution 17, Aguia will not be able to access the additional 10% capacity to issue equity securities without shareholder approval under ASX Listing Rule 7.1A and will remain subject to the 15% capacity limit on issuing equity securities without shareholder approval under ASX Listing Rule 7.1.

Additional Information

For the purposes of ASX Listing Rule 7.3A, the following information is provided:

- 7.3A.1 If any of the securities being approved by this Resolution 17 are issued, they will be issued during the 10% Placement Period. The 10% Placement Period commences on the date of the of the annual general meeting at which the approval is obtained (20 November 2020) and expires on the first to occur of the following:
- o the date that is 12 months after the date of the annual general meeting at which the approval is obtained (i.e. 20 November 2021).
 - o the time and date of the Company's next annual general meeting; or

- o the time and date of the approval by holders of the eligible entity's ordinary securities of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

7.3A2 The minimum price at which the equity securities will be issued for cash consideration per security which is not less than 75% of the volume weighted average market price for ordinary shares calculated over the 15 trading days on which trades are recorded immediately before:

- a. the date on which the price at which the securities are to be issued is agreed by the Company and the recipient of the securities; or
- b. if the shares are not issued within 10 trading days of the date in paragraph a, the date on which the securities are issued.

7.3A.3 The shares will be issued for the purpose of raising working capital for the Company, which includes continuation of the Company's exploration activities, the assessment and evaluation of new business development opportunities and general working capital purposes.

7.3A.4 If Resolution 17 is approved by shareholders and the Company issues equity securities under the 10% Placement Facility, the existing ordinary Shareholders face the risk of economic and voting dilution as a result of the issue of equity securities which are the subject of this Resolution, to the extent that such equity securities are issued, including the risk that:

- a. the market price of equity securities may be significantly lower on the issue date than on the date on which this approval is being sought; and
- b. the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The following table gives examples of the potential dilution of existing ordinary shareholders calculated as at the date of this Notice using the current market price of shares and the current number of ordinary securities for variable "A" in the formula in ASX Listing Rule 7.1A.2.

The table also shows:

- a. two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of fully paid ordinary securities the Company has on issue. The number of fully paid ordinary securities on issue may increase as a result of issues of fully paid ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- b. two examples of where the issue price of fully paid ordinary securities has decreased by 50% and increased by 100% as against the current market price.

No. of Shares on Issue ²	Dilution			
	Issue price (per Share)	\$0.022 50% decrease in Issue Price	\$0.044 Issue Price	\$0.088 100% increase in Issue Price
276,434,365 (Current)	Shares issued	27,643,437	27,643,437	27,643,437
	Funds raised	\$608,155.60	\$1,216,311.21	\$2,432,622.41
414,651,548 (50% increase)	Shares issued	41,465,155	41,465,155	41,465,155
	Funds raised	\$912,233.40	\$1,824,466.81	\$3,648,933.62
552,868,730 (100% increase)	Shares issued	55,286,873	55,286,873	55,286,873
	Funds raised	\$1,216,311.21	\$2,432,622.41	\$4,865,244.82

The table has been prepared on the following assumptions:

- Resolutions 3, 4, 5, 6, 7, 8 and 9 are approved;
- the Company issues the maximum number of equity securities available under the 10% Placement Facility in ASX Listing Rule 7.1A;
- no options in ordinary shares are exercised before the date of issue of ordinary shares under ASX Listing Rule 7.1A;
- the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the AGM;
- the table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
- the issue of equity securities under the 10% Placement Facility consists only of shares; and
- the issue price is \$0.044 per share³, being the closing price of the shares on ASX on 9 October 2020.

The Company will comply with the disclosure obligations under ASX Listing Rule 7.1A.4 upon issue of any equity securities.

7.3A.5 The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of allottees of any equity securities that may be issued (subject to shareholder approval of Resolution 19) have not been determined as at the date of this Notice, but may include existing shareholders and/or parties who are not currently shareholders and are not related parties or associates of the Company. Any potential allottees will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- the methods of raising funds available to the Company (including but not limited to, rights issue or other issues in which existing security holders can participate), while balancing interest from potential allottees with the interests of existing shareholders;

² Variable "A" in ASX Listing Rule 7.1A.2

³ Closing price on 9 October 2020 was \$0.044 per share.

- b. the effect of the issue of equity securities on the control of the Company and balancing the interests of existing shareholders. Allocation will be subject to takeover thresholds;
- c. the financial situation and solvency of the Company and its need for working capital at any given time;
- d. advice from corporate, financial and broking advisors (if applicable);
- e. the Company's intentions to raise funds during the period of the mandate;
- f. the number of issues it intends to make under the mandate and the time frame over which they will be made;
- g. whether the Company has any specific intentions in relation to parties that it may approach to participate in an issue of securities under the mandates; and
- h. whether the Company has formed an intention to offer securities under the mandate to existing security holders, or to a class or group of existing security holders, or whether, alternatively, it has formed an intention to offer the securities exclusively to new investors who have not previously been security holders of the entity.

Potential allottees under the 10% Placement Facility (should it be approved) have not been identified as at the date of this Notice, but may include existing shareholders and/or parties who are not currently shareholders and are not related parties or associates of the Company.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 17.

RESOLUTION 18 - RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS

Schedule 5 of the Company's constitution (**Constitution**) (attached as Attachment B to this Notice of Meeting) provides that the Company must not register a transfer of shares which would give effect to a contract, resulting from the acceptance of an offer made under a proportional takeover bid unless shareholders, in a general meeting, approve the offer. Under the Corporations Act 2001 (Cth) and Schedule 5 of the Constitution, Schedule 5 cease to have effect at the end of three years from when they were adopted or on the date that they were last renewed.

Schedule 5 was not renewed within the requisite time and as such ceased to form part of the Constitution. The proposed resolution seeks to reinstate the provision of Schedule 5 of the Constitution for three years from the date of approval of the proposed resolution.

The Directors consider that it is in the interests of shareholders for the Company to include a proportional takeover rule and approval is therefore being sought to reinstate Schedule 5 of the constitution.

What is a proportional takeover bid?

In a proportional takeover bid, the bidder offers to buy a proportion only of each shareholder's shares in the target company.

Why are the proportional takeover approval provisions required?

A proportional takeover bid means that control of a company may pass without shareholders having the chance to sell all of their shares to the bidder. In addition, this means the bidder may take control of a company without paying an adequate amount for gaining control.

In order to deal with this possibility, the Corporations Act 2001 (Cth) permits a company, in certain circumstances to provide in its constitution that if a proportional takeover bid is made for shares in the company, shareholders must vote at a general meeting on whether to accept or reject the offer.

The majority decision of shareholders present and voting at the meeting will be binding on all shareholders.

The benefit of the provision is that shareholders are able to decide collectively whether the proportional offer is acceptable in principle and it may ensure that any partial offer is appropriately priced.

If the offer does proceed, individual shareholders can then make a separate decision as to whether they wish to accept the bid for their shares.

What is the effect of the proportional takeover approval provisions?

If a proportional takeover bid is made, the Directors must ensure that shareholder vote on a resolution to approve the bid at least 14 days before the last day of the bid period. The vote is decided on a simple majority.

Each person who, as at the end of the day on which the first offer under the bid was made, held bid class securities, is entitled to vote, but the bidder and its associates are not allowed to vote (and if they do vote, their votes must not be counted).

If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn. Any contracts formed by acceptances will be rescinded. If the bid is approved (or taken to have been approved), the transfers must be registered provided they comply with the Corporations Act 2001 (Cth) and the Company's Constitution.

If the resolution is not voted on before the 14 day deadline specified in the Corporations Act 2001 (Cth), the bid will be taken to have been approved.

The proportional takeover approval provisions do not apply to full takeover bids and only apply for 3 years from that date of their renewal pursuant to Resolution 15. The provisions may again be renewed by a special resolution of shareholders.

No present acquisition proposals

At the date this Notice of Meeting was prepared, no Director is aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

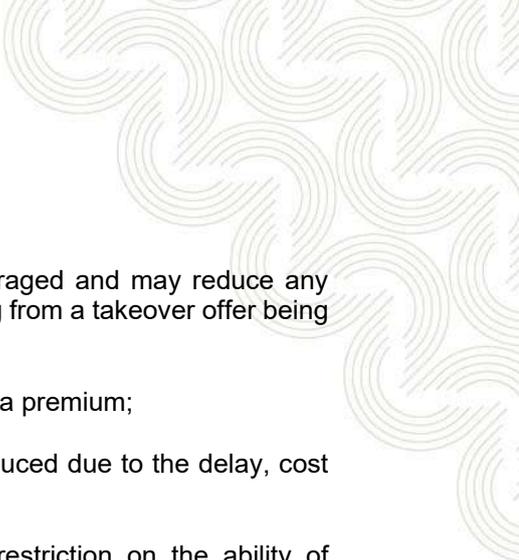

Potential advantages and disadvantages

While the renewal of Schedule 5 will allow the Board to ascertain shareholders' views on a proportional takeover bid, the Directors consider that the proportional takeover approval provisions have no potential advantages or disadvantages for them. They remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover approval provisions for shareholders include:

- the provisions give all shareholders (other than the offeror and its associates) an opportunity to study the terms of a proportional takeover proposal to determine whether it is in their best interests that it proceed and, on that basis, enables shareholders to decide whether or not to accept the offer;
- the provisions may discourage the making of a proportional takeover bid which may be considered to be opportunistic and may prevent control of the Company passing without the payment of an appropriate control premium;
- the provisions may assist shareholders in not being locked in to a minority interest in the Company;
- the provisions may increase shareholders' bargaining power and may assist in ensuring that any future proportional takeover offer is structured so as to be attractive to a majority of independent shareholders; and
- knowing the view of the majority of shareholders may assist each individual shareholder in assessing the likely outcome of the proportional takeover scheme bid and whether to approve or reject that bid.

The potential disadvantages for shareholders include:

- 
- proportional takeover bids for shares in the Company may be discouraged and may reduce any speculative element in the market price of the Company's shares arising from a takeover offer being made;
 - shareholders may lose an opportunity of selling some of their shares at a premium;
 - the chance of a proportional takeover bid being successful may be reduced due to the delay, cost and uncertainty in convening a General Meeting; and
 - the renewal of Schedule 5 may also be considered an additional restriction on the ability of shareholders to deal freely with their shares.

The Board considers that the potential advantages for shareholders of the proportional takeover approval provisions outweigh the potential disadvantages. In particular, shareholders as a whole are able to decide whether or not a proportional takeover bid is successful.

The Directors unanimously recommend that shareholders vote in favour of Resolution 18.

A screenshot of the "Voting Card" registration form. The form is titled "Voting Card" and includes a sub-header "Please provide your Shareholder or Proxy details". It is divided into two sections: "SHAREHOLDER DETAILS" and "PROXY DETAILS". The "SHAREHOLDER DETAILS" section includes fields for "Shareholder Number" and "Post Code", a "Validate Account" link, and a prominent orange button labeled "SUBMIT DETAILS AND VOTE".
